## Overview

Welcome home! This two-story, three bedroom, two bathroom home is move-in ready and the perfect blank canvas for all of your personal touches. There are two spacious bedrooms on the first level and the master bedroom with its ensuite bath is upstairs for added privacy. On the first level you will also find the spacious living area which features a brick fireplace and the open layout of this home allows for easy flow to the dining area and kitchen. In the backyard you will find a shed which has been upgraded with sheetrock, electricity, and a ceiling fan. If you like to host big gatherings, this is the backyard for you! Fresh coats of paint have been applied throughout the home so all you have to do is MOVE-IN! Garage doors will be functional prior to closing. Schedule a showing today!
