Overview

This colorful home has endless potential. The unique style, layout, and location makes this home a great option with a lot of utility. This home is currently a single family residence, but has everything in place to function as a 3-unit. This property could be perfect for the investor, or the buyer looking for a multi-unit to owner occupy. It is currently occupied by the owner with one tenant in place. With 2,700 sq ft of living space, 7 bedrooms and 4.5 bathrooms, this could also be a perfect opportunity for the buyer that simply need a large home. Enjoy the peace and quiet of country living, land to explore, and 300ft of brook water frontage. This is a great location for those seeking a rural setting as well. Come check it out!
