## Overview

NEW, NEW NEW home with an open location, light and bright plus a rooftop deck! The only new construction community in Tustin this newly released location allows you to choose your own interior finishes. Fix your price now for an early 2025 move-in! This home 1 includes solar panels and is designed with a full bedroom with direct access bathroom on the entry level, plus direct access to the two car, side by side garage. Upstairs you will be wowed by the large great room, dining area and fabulous gourmet kitchen with island. Included in your new home are your choice of kitchen cabinets, quartz countertops, stainless steel appliances, designer selected flooring packages and solar, all in this price! Light and bright end location with plenty of windows and a guest powder room too!. Upstairs there are dual primary bathrooms with large walk in showers, walk-in closets and convenient laundry area. Completed with state of the art construction with structured wiring to keep you connected. Enjoy low maintenance living with our gated, private outside lounge area and you community association will maintain the landscaping. Tustin boasts a highly rated, distinguished school system, low taxes (no CFD or Mello-Roos) and a central location... just steps away from Old Town Tustin, which offers shopping, fine dining, entertainment and a great place to just unwind. Located a short drive/minutes to the beach, South Coast Plaza, Angel Stadium, Disneyland and all major

business and shopping hubs such as Irvine Spectrum and Fashion Island. Like to travel? John Wayne airport is less than 7 miles away from your new front door. Enjoy a lock and leave lifestyle with all the comforts of owning a new home. Pictures are of the model home
