Overview

Charming mountain home offers a serene retreat. This 3 bedroom 2 bath home offers a wood-burning fireplace in a cozy living room. The main level offers 2 bedrooms with a full bathroom that's been nicely updated. These rooms are spacious, one being larger than the other and offers 2 closets. The downstairs master bedroom is large with a walk-in closet. This room can be used as a family game room if 2 bedrooms is all you need. Entire home has fresh interior paint. New stainless steel appliances. New 50 gallon water heater. New Washer/Dryer. Kitchen and bathroom have been updated. New tile flooring. New baseboards, door casings and wainscot. New garage doors on a 2 car garage! Exterior doors have been weatherized and new 8 insulation in attic to help keep the heat in during the cold winter months. Home offers both an upper and lower deck/patio that provide a peaceful and tranquil space to enjoy the beauty of nature. This home shows pride of ownership. Whether you seek a quiet weekend getaway or a place to call home everyday, this mountain home provides the perfect blend of comfort and natural beauty.
