Overview

Hard to find a nicer property with this proximity in downtown Boyne! This great home tucked neatly in the trees, was completely remodeled in 2018, and offers a 3 bed, 2 full bath layout on a full finished walkout basement. The completely fenced in yard offers a great play haven for younger kids or pets. The Large deck sits privately tucked in a canopy of trees, and the lower outdoor patio offers a haven from those rainy days/nights when you still wish to be outside. The lot is large, 75 x 280, and offers a nice mix of trees to keep the property private, also you are directly across from Riverside Park in Boyne, so you will have a lot to explore. The home was completely insulated in the redo with blown-in and foam insulation, and is amazingly efficient with an average bill of less than \$50! This home has a lot to offer, and is ready to move into, and start living or vacationing in paradise!
