Overview

A beautiful piece of land in a very sought after area. Bring your ideas to life. This is raw land. There has been no soil work done, there is no water or electric. It is zoned A-1. Prince William County can answer any questions pertaining to building and site plans. Almost 10 acre parcel adjacent to this one is also for sale. See 12038 Nokesville Road. NOTE: The owner is in process of permits for road and will be clearing access to both properties. Work is expected to be completed by end of September. If you want to walk the land prior to that, wear jeans and boots! It's very wooded and naturally groomed!
