Overview

BETTER THAN NEW! Built in 2019, this stunning one level Craftsman-style home is sure to please! Situated on over half an acre cul-de-sac lot, in Saddlers Walk subdivision, this open-concept, split bedroom home boasts 3 bedrooms and 2 full baths. Both the front and garage doors open into the foyer, which leads straight into a huge, open living room-kitchen-breakfast/dining area with a cathedral ceiling, stone fireplace with gas logs and a well appointed kitchen with an island and sleek stainless steel appliances. The master suite is located off the main living area and features an intricate trey ceiling with stained bead board inlays and a large walk-in closet with custom shelving and leads into a private bathroom with a double vanity, tile shower, separate garden tub and water closet for extra privacy. Two ample size secondary bedrooms, second full bath and the laundry room are located off the other side of the living space. The home also features granite countertops, custom vanities, tile flooring in the bathrooms and laundry room, plush carpeting in the bedrooms and laminate flooring in the living spaces. An 8x16 covered deck with ceiling fan is located off the back of the house with steps that lead down to a 10x16 patio making this the perfect spot for entertaining friends or enjoying your morning coffee. A full yard in-ground sprinkler system making watering

the yard a breeze. Offered at \$349, 900, this opportunity will not last long. Call today for your private showing.
