## Overview

Opportunity awaits! This 2 bed, 1 bath cabin in the narrows of Long Lake could be your perfect summer get-a-way. With 75 feet of gorgeous low-elevation frontage, you'll have full access to all the activities lake life has to offer. Inside, beautifully refinished wood floors run the length of the cabin, and the living room boasts large windows that give spectacular views of the lake. Even better views await on the wrap-around porch that is perfect for sipping morning coffee. This property is a full acre, with plenty of room at the back of the lot for a future garage, additional shed, or guest camper. If you are looking for a place to relax steps from the water's edge, this is a Long Lake cabin you need to check out. Schedule your tour ASAP!
