Overview

Located in the desirable Lakes of Woodbridge neighborhood, this stunning home enjoys a prime location across from golf course and near walking trails; nearby access to Hwy 78 and 190. Offers 5 spacious BRs, with an impressive primary suite featuring large bay window, custom shutters, jetted tub in the primary bath, and a huge walk-in closet. Adorned with elegant crown molding, hardwood floors, double-vanity bath, and surround sound in living room and primary BR. Media room equipped with 7 in-wall surround sound speakers. Upgrades include kitchen appliances (2023), water heater (2023), HVAC system (2022), screened enclosure added to the patio (2022), solar panels (Tesla system with Tesla Powerwall backup battery) installed in 2020, and roof replaced 2018. Access to parks, pools, walking trails, premier golf course, clubhouse amenities, and more. Newly installed solar system with a Tesla Powerwall backup battery, to be paid off at closing. This home is an absolute must-see!
