Overview

Welcome to this charming 4-bed, 2-bath home tucked back on 5 acres, nestled in the heart of Paw Paw. Boasting 1780+ square feet of living space and set on a circular driveway, this unique home is ready to be restored to its former glory. The inviting front deck sets the stage for cozy evenings and welcoming curb appeal. Step inside to a living room adorned with hardwood floors and classic brick fireplace. There are 4 generously sized bedrooms and two full baths, providing ample space for the whole family. The attic and full unfinished basement presents an opportunity for additional storage. Outside, the backyard awaits transformation with its vast potential. Conveniently located near shopping amenities and downtown, this property offers easy access to all Kalamazoo has to offer.
