Overview

Updated historic home built in 1935 with many original elements that have been refinished or updated. The beautiful original hardwood floors with unique original leaded windows create a comfortable and inviting home. There are two bedrooms separated by the central bathroom but attic offers enough space to add an additional bedroom and is partially finished. The yard is partially fenced in the front and the backyard has many gorgeous trees that can be enjoyed from the covered back porch or from a sitting area created in the back yard. There is a covered parking area as well as a storage shed in the backyard for additional storage. New central heat and ac (2023), new roof (2023), new interior and exterior paint (2024), original hardwood floors refinished (2023), new tile floor in bathroom, updated electrical (2023), updated plumbing (2023) and Riad tile backsplash in kitchen.
