Overview

This classic mid century 1950 built home offers you all the characteristics and charm you desire! With four bedrooms and great spaces through out this home, you have the space and place you are looking for! The home boasts two bedrooms up and two main floor bedrooms. Fully functional kitchen space with an informal dining area, sitting room and a back 3 season porch of the back of the home. Large lower level family room gives you a great space to get away and relax. This home sets beautifully on a nice city lot and gives you the warmth and comfort you have been looking for!
