## Overview

Located in the Rolling Meadows Subdivision this 4 bedroom, 2.5 bath home is secluded on a dead-in street next to a city park. Nicely landscaped, this home has an updated eat-in kitchen with a walkout to a deck area with views of the private back yard, living room with large windows, upper level with three bedrooms and full bath, lower level with an updated family room that features a fireplace with a wall of built-in cabinetry, bedroom, and bath. This level also has an office/craft room and a large laundry/mud room. The detached two-car garage is oversized and offers lots of storage.
