## Overview

Stunning views, privacy and tranquility is what you will find on this 31+ acres. A custom built Craftsman home with a great feel is nestled in the hills, in the charming town of Sutter Creek. Simple and timeless aesthetic combined with high quality design and craftsmanship. This home is adorned with exposed woodwork, natural materials, and built-in elements. Light and bright, with beautiful views from almost every room in the house. The open floor plan seamlessly blends the living, dining and kitchen areas, creating an inviting atmosphere to relax. The deck off the great room is the perfect place to enjoy your morning cup of coffee. An incredible, stone and wood covered outdoor living space is a highlight of this property. The perfect place to watch outdoor movies, football, or hang a chandelier and some lights, BBQ and dine Al fresco with friends and family. You could also end your day with a dip in your stock tank pool or your wood heated hot tub. This home is all about L-I-V-I-N' the good life! Spacious primary suite with views, has a large walk-in closet. Large mudroom complete with sink and built-in coat/hat/boot storage area. This home truly has such a great feel. Close to wineries, restaurants, and quaint shops in downtown Sutter Creek and Volcano!
