Overview

Up for grabs is a great piece of land in the heart of Independence. Located between 23rd Street and Truman Rd close to Lee's Summit Road. This 4.9 acre tract has lots of mature walnut trees and many, many young walnuts. Lots of other large trees too. This is naked land that has had no improvements. Haven't searched every corner of the property so there are likely to some other hidden gems around. There is a stake survey that will be provided as an attachment. The survey was certified on June 14, 2023. Please don't take our word for it and come take a look around for yourself. This will surely make one spectacular homesite one day.
