Overview

Absolutely stunning English style design home nestled in the heart of Chehalis! 5 beds and 5 baths spread across 5334 sqft allow ample space for everyone. Meticulously maintained interior adorned with tasteful finishes, such as the grand staircase, fireplaces, original wood doors and classic grain hardwood floors. Main level features generous living areas and splendid kitchen. Upstairs are the serene bedrooms, including a luxurious primary suite for a private sanctuary to unwind. Each bedroom exudes comfort and tranquility. Lower level has additional bedroom, living spaces and 2nd kitchen. Opportunity for a rental or private guest suite! Outside, the backyard w/ pool beckons you to enjoy outdoor living at its finest, whether entertaining or relaxing.
