## Overview

BACK ON THE MARKET AT NO FAULT OF THE HOUSE OR SELLERS - Sitting on 2 acres, this 4BR, 3.5BA home provides over 4000SF of living space spread over a split bedroom, open floor plan, so everyone in the home can have space to call their own. Entertaining is a breeze with Samsung Smart Home appliances in the large kitchen that opens into the great room featuring vaulted ceilings, a fireplace and a view of the back yard, where the outdoor possibilities are endless. The primary suite features a tray ceiling and large walk-in closet. Separate soaking tub and tiled walk-in shower highlight the ensuite, in addition to Amish-built cabinets for ample storage. The room adjacent the master bath could serve many purposes: office, nursery, etc. The fully finished upper level includes a rec room, additional BR and BA. Two additional BRs, 1 1/2 BA and 3-car garage complete this home's floor plan. Convenient location outside city limits but easy access for commuting to work, shopping, dining and recreation.
