## Overview

3 bedroom, 2 bathroom custom stick built home sits centered in the middle of 20 acres of pasture for your animals. This 1992 ranch style home is located a perfect 6 miles from town. Just far enough for ultimate privacy and perfect starry night viewing, but still a quick trip to town. Large mudroom is perfect for country living. The split bedroom floorplan offers many options. It could serve as an office, gym, older children room, playroom, mother-in law bedroom, the possibilities are endless. Open kitchen and living room are great for large gatherings. An attractive pellet stove adds to the country charm. New carpet in one bedroom. Approximate 20'x32' barn is ready for your animals complete with a frost free water hydrant. Acreage is partially fenced with good quality non-climb horse fencing (that just needs a little straightening) All this a Mt. Hood view and tree-lined driveway too! This home is ready for your personal touches. Call for your private tour.
