Overview

House sits nicely on the lot at the end of the cul de sac. TLC needed. Solar panels cut down on the electric and energy costs. Newer windows. Private stone wall patio in the back yard. This area has so much to offer. Short distance to Metro North in New Hamburg. Elementary school is right around the corner. Close to all: shopping, houses of worship, historical homes like Mesier Homestead in the Village of Wappinger, Madam Homestead in Beacon, Roosevelt and Vanderbilt Mansions, just to mention a few. Walkway over the Hudson, Vassar College, Marist College and the CIA are in the area. Bowdoin Park is right up the street offering picnicking areas, water sport area, jungle gym area, baseball fields, bird watching, walking trails and beautiful view of the Hudson River and mountains. A wonderful place to call home.
