Overview

Looking for a condo that lives like a single family home without all the yard work? Here it is. Enjoy the serenity of the wooded back yard while sitting on your back deck or looking out from the daylight basement. This stunning 3 bedroom 2.5 bath duplex condominium in the highly coveted Cascade Falls neighborhood with its open floor plan, first floor primary suite, office, and laundry has it all. From the moment you walk in the door, you will appreciate the high-end finishes, open floor plan and so much more. Currently under construction. Dont wait!
