Overview

Elegance and comfort in Willow Park! This stunning home offers four bedrooms, two and one half baths, upstairs loft, and an open, flexible floorplan. The heart of the home the open two-story great room, features a soaring ceiling, a charming fireplace and a wall of windows overlooking the patio and elegant hardwood floors. Seamlessly connected is the gourmet island kitchen featuring quartz counters, gorgeous glass tile backsplash, a dual convection oven, stainless appliances and walk in pantry. The owner's suite includes an ensuite bath with an oversized shower, separate vanities, and a generous walk-in closet. Each additional bedroom has its own walk-in closet. Even the laundry room features extras such as a mudroom storage spot and convenient sink. Step outside to the backyard, where a large covered patio beckons you to unwind. Experience the pinnacle of modern living in this beautiful custom home, where luxury meets functionality and every detail is crafted with care.
