Overview

Discover the charm of this well maintained home in nice established neighborhood in sought-after school district. Inside, the heart of the home is a chef's dream kitchen with ample space, complemented by an eat-in kitchen. The expansive great room provides a welcoming atmosphere, ideal for relaxation and entertaining guests. Situated on a spacious lot, with small separate lot at the back of the property. The property features a large garden area. Septic Lines Replaced in 2022 and New Roof in 2009. Nice friendly neighborhood with a convenient location, offering easy access to amenities and nearby attractions.
