Overview

Introducing River Trails – Houghton's newest premium residential building site development. Nestled along the banks of the Pilgrim River and adjacent to the Nara Trails of the Michigan Tech ski and hike/bike trail system. There is direct MTU trail access from several of the lots and from both River Trails Rd. and Applewood Drive. Quiet country living in a pristine environment only a couple miles from Houghton. Over 30 acres of open space within the development includes more than a half mile of riverfront and several trail corridors for proposed trails within River Trails. High quality outdoor activities surround your future dream home. The possibilities are many. Lot 6E is a riverfront lot directly across the river from the Portage Golf Course and contains a concrete silo that could be your site for an elevated deck, gazebo or whatever you can imagine. Apple trees and abundant solar possibilities round out this lot's features.
