## Overview

Brand new ICF Home on 3.43 enchanting wooded acres (additional 3.43ac attached also available) Enjoy being surrounded by the forest in any of the ample outdoor living space with a deck up top and concrete patio waiting outside the door of the walk out basement. The main floor has a split bedroom floor plan with 3 bedrooms on one side and a generous spa like master suite on the other. This home has a genius open floor plan, with the main area well insulated from the bedrooms so everyone can have their own slice of peace and quiet. The laundry room off the garage is very spacious with storage galore. In the basement you'll find a large recreation room along with a guest suite with its own bathroom. This home is built to stand the test of time and forces of nature here in Missouri in addition to being located in the #1 school district in the 417 area! ICF construction makes for a pest resistant, quieter, hugely more energy efficient home. All finishes are premium and well crafted. Make this slice of peaceful paradise yours today while there is still time to make a few custom choices.
