Overview

Experience the charm of this stunning 2-story, open-concept home in the picturesque Sunflower Ridge community - just minutes from downtown Waco, shopping centers, and the serene Lake Waco. Boasting 4 spacious bedrooms, 3.5 luxurious bathrooms, a dedicated study, game room, and media room, this home offers ample space for all your needs. The kitchen features a large granite countertop island and bar, complemented by a delightful breakfast nook with direct access to a covered outdoor patio. The primary bedroom ensuite is a true retreat, complete with high-end finishes, gorgeous coffered ceiling, natural light, dual vanities, walk in closet, and separate bath and standing shower. Custom wood cabinets, elegant staircase and Juliette balcony, engineered wood floors, and a 2-care side entry garage are just a few of the premium features this home offers. Built with your comfort and lifestyle in mind with beautiful hill country views, this property is a MUST-SEE!
