Overview

This 33.82 acre property has all the elements to make it most desirable. The private 4 bedroom home has a vaulted ceilings and wood beams with a feature fireplace in the living room. There is a beautiful 5 acre pond for enjoyable fishing or just relaxing at the waters edge. There is 25 acres of agland that is partially fenced so it's ready for your animals, gardening or rental income. The roof and HVAC were updated in 2018 and more recent updates include granite counter tops, kitchen appliances, and remodeled master bath. There is a covered front porch for your rocking chairs, a screened back porch, and a back deck with space for your outdoor grill. Come see this special mini-farm.
