Overview

Back on the market AT NO FAULT OF THE SELLER. BUYERS SALE OF HOME CONTINGENCY FELL THROUGH. This pristine home, located in a desired neighborhood in Burns, has a beautiful back yard that backs up to a creek and woods. It is perfect for a multi-generational family. The heated and cooled walk out basement has no interior access into the main living area of the home. It is equipped with a kitchen, Studio style living/sleeping area, full bathroom and a HUGE workshop with a heating unit. The 4th room upstairs is currently being used as a bedroom; however, it could be used as a home office or bonus room. The current owners added a walk-in pantry with tons of storage and countertops. Brand new water heater installed 04/24, the garage has ceiling storage for decorations, kayaks and bicycles. The attic also has a custom storage area. Just to clarify, 1027sq.ft of the total square footage is the finished basement, it is heated and cooled.
