Overview

Beautiful brick home settled in the heart of Wautoma. This home has recently gone through a major remodel, but still has the classic charm. Updates include main level flooring, paint, light fixtures, and full bathroom remodel. As you continue upstairs through the home you will notice the hardwood floors. Home provides one bedroom and one full bath on the main level and 2 bedrooms and one-half bath on the upper level. A larger city lot offers plenty of space for you and yours. Conveniently located close to many stores and restaurants.
