## Overview

Rieger Ranch, located just outside Harper and not far from charming Fredericksburg, is an opportunity to own a Hill Country ranch that has not been on the market in almost a century. Owned and operated by the same family for four generations, the ranch has been used to raise a variety of livestock and has a naturally abundant herd of Whitetail deer. With the infrastructure and its idyllic Hill Country location, Rieger Ranch is well-suited for a variety of uses, including a working ranch, homestead or weekend getaway. Proposed Restrictions: Subdividing of no more than 4 tracts. 200' set back from the adjoining fence line that is adjacent to JB Rieger Property.
