Overview

Dont miss this well-maintained, oversized New England split nestled in one of South Londonderry's sought-after, cul-de-sac neighborhoods! This home is sprawling and features 4 beds including a primary suite and 2.5 baths with a generous floorplan for the entire family. Main floor boasts a large living room, dining room, and kitchen with eat-in island all leading to a sun-drenched four-season room. A gorgeous hand-made rustic flat fieldstone fireplace warms the entire home on both levels. Bonus room on main floor allows for a formal living room, kids playroom, or any much-needed work from home office space! Finished lower level adds great additional space for entertaining with a large high-top bar or extra room for families seeking to expand. Bring your ideas because opportunities are endless, and this house has it all. Plenty of storage space throughout including cabinets, built-ins, and an oversized 2-car garage. Home sits on a terrific acre lot with great exterior privacy and a space ready for your outdoor fire pit or pool! Convenient to Rt. 111, major highways, dining, shopping, public transportation, and downtown. Easy commute to Manchester, Nashua, Derry, the seacoast and Boston. This one will not last!
