Overview

This charming home features three bedrooms and one bath. The large open concept living space offers views of the lake on both sides, creating a bright and inviting atmosphere. Step outside to a spacious deck, perfect for enjoying the panoramic lake views and breathtaking sunsets. This exceptional property boasts approximately 500 feet of lake frontage and is nestled among towering trees on a level lot, offering serene living. The lake surrounds the home on two sides, enhancing its picturesque setting. Additionally, a detached 20x11 garage provides ample storage for all your toys. Don't hesitate; this home won't last long. Call today for your showing!
