Overview

Nestled on the Little Nestucca River, this beautiful homestead setting has undergone renovations over the years to craft a 3,115 sq ft home featuring an attached mother-in-law apartment. With ample space for everyone, enjoy over 300 feet of river frontage where the soothing sound of the river can melt away the stresses of the outside world. Witness eagles soaring overhead as you fish for Salmon and Steelhead from your own backyard. Embrace the tranquil country living experience up the river valley, all just minutes away from the Beach. The property includes a 30x60 shop, a charming tree house, and an adjacent 1.67-acre lot for building an additional residence or expanding your outdoor space. Don't miss this rare opportunity to carry on the legacy of this remarkable property.
