Overview

Welcome to 615 Fern Ave, a luxurious newly built home offering an expansive open floor plan with 10-foot high ceilings. The chef's kitchen is a culinary delight, featuring Cafe appliances, a custom oven range hood, and a touchless faucet, complemented by a walk-in pantry with an additional refrigerator. The main floor also boasts a stylish office with steel and glass French doors, a cozy living room with a custom gas fireplace and built-in cabinets, and a brightly lit dining room with large sliding doors leading to a covered back patio perfect for outdoor entertaining. Upstairs, the primary bedroom features two walk-in closets and a lavish bathroom with a double shower and freestanding tub, while three additional bedrooms include vaulted ceilings, large closets, and shared or private bathrooms. The basement offers a full bar with a quartz waterfall counter, a fifth bedroom, and advanced features like a hydraulic floor heating system. Additional amenities include a garage with an electric car charging line, high-quality finishes throughout, and smart home features, making this home a perfect blend of luxury and modern convenience.
