Overview

Incredible craftsmanship and quality in an expansive post and beam cape! Seamlessly combining rustic essence and modern amenities, this impressive home features wide-plank flooring, exposed beams throughout repurposed from a tobacco barn. As soon as you enter the updated kitchen, you feel the warmth of this home. Inviting living room with cathedral ceiling with cozy pellet stove. The first floor primary suite offers a private deck looking out into the expensive backyard complete with gunite pool. Upstairs you will find 3 additional large bedrooms, one which offers an ensuite including laundry. Lower level offers walk out one bedroom apartment, with full kitchen, separate laundry and recent mini split upgrade. Perfect for multigenerational living or to generate income. This property has been meticulously maintained and pride in ownership shines bright! Miles of conservation land, corner lot, convenient commuter location. 10 min drive to MBTA commuter rail!
