Overview

Bring your building plans and make this 18 acres your very own, private, mountain or creekside resort! The acreage is located just a short drive from Burnt Mill Bridge River access(a wonderful swimming spot!), great horse riding, and phenomenal atv riding. Utilities are located along the Mt View Rd, just a short distance away. The neighboring lot (lot 9) is for sale as well. That could add an additional 28.78 acres. The acreage is on greenbelt
