Overview

This home was built by the current owner in 1986 and has a rich, family-oriented history. Presently, this 4 bedroom and 3 bathroom homestead is available and the future is up to you! The 3392 sq ft, 2-story home is located on a corner lot and is central to the community college, walking trail, fishing, churches, fair grounds, 18 hole-public golf course, rehabilitation and workout facility, shopping and restaurants and healthcare options. In the summer of 2024, the interior was completely painted a fresh, modern shade, carpet installed throughout and some new bathroom fixtures installed. The kitchen features granite counter and island tops, the appliances all remain with the home including the gas range with vent hood, refrigerator, microwave, washer/dryer and the dishwasher is new, never used. The sink is a modern black, undermount version. There is a dining room and kitchen nook for dining and entertaining. There are 2 owners suites, one on the main floor with jetted tub and ceramic tiled floor and one on the upper level. There are a total of 3 bedrooms and 2 bathrooms on the upper floor with newly installed luxury vinyl plank (LVP) in each bathroom upstairs. The family room features a floor-to-ceiling, stone fireplace and vaulted ceiling. There is a sizeable amount of storage and considering the attached 4-car garage, the storage is beyond accommodating. There is plenty

of off-street parking and entry into the garages from the front and rear of the home. Enjoy the gazebo and patio space directly out of the sliding glass doors. Great location, great view, great space and great opportunity for you! Call for a tour soon!
