## Overview

Immaculate, like new and move-in ready 1767 square foot, 3 bedroom (split bedroom layout), 2 full bath home with a huge 3 car garage, a totally fenced in backyard plus a basement that is already rough framed in and ready to be finished to add 2 more additional bedrooms plus another full bath! This beautiful home has been meticulously maintained and has a great open concept living area with cathedral ceilings, a gas fireplace, lvp floors, stylish granite tops, a large island and tons of natural light. The bedrooms are very spacious with good sized closets (walk-in in primary suite) and there is an awesome built-in shiplap locker area off of the garage next to the nice sized laundry room. Well built and just 18 minutes to the Beltline!
