Overview

Step into this delightful 3-bedroom, 2-bathroom patio home, nestled in a charming subdivision where convenience meets tranquility. Freshly updated to turn the key on comfort, this home boasts new paint, stylish trim, modern doors, chic faucets, and luminous lighting fixtures that will light up your life! Designed with simplicity and ease in mind, each room invites you to live freely with ample space and natural light. The primary bedroom offers a serene retreat at the end of your bustling day. Enjoy the harmony of indoor-outdoor living with a large, flat backyard surrounded by a privacy fence - perfect for Sunday barbecues or a quiet morning with coffee and a good book. Living here means you're just a hop, skip, and a jump away from embracing nature at Shadowrock Park and Bull Shoals Lake, ensuring your weekends are as lively or laid-back as you wish. Ready to make the move? This lovely abode is more than just a house; it's the backdrop to your life's best moments.
