Overview

Located just over the SC/NC line in Mooresboro, NC, this amazing opportunity awaits you with a beautiful 1.05 acre wooded lot with a like new (literally still has stickers on the windows) Green River Log Cabin! Cabin is ready for immediate occupancy, as it has been connected to power, public water, has its own septic tank, and propane gas tank! Air and heat are powered by two mini-splits - you will live comfortably no matter the season! This gorgeous cabin features vaulted ceilings, cabinets everywhere for storage, tankless propane gas water heater, screened in porch with composite decking, granite counter tops, breakfast bar, range, refrigerator, and microwave. The bathroom has a shower/tub combo, built in medicine cabinets, and granite counter tops. The master bedroom has built-ins and TV mount. Between the loft, bedroom, and two built in bunk beds, you can easily sleep 5-6 people comfortably. This would make an amazing full time residence, or second home getaway cabin! The community is gated and there is a community pond with beach. Easy access to Chesnee, Highway 221, Highway 74, and Forest City. Come see this cute home before it is sold!
