## Overview

This exquisite new construction home boasts 4 bedrooms and 2 baths, featuring an expansive open concept layout and a sought-after split floor plan. The lavish living room offers ample space for entertainment and relaxation that adds a touch of elegance to every gathering. Retreat to the spacious primary suite, where you'll discover a haven enhanced by an oversized walk-in tile shower and luxurious double vanities for added convenience. The gourmet kitchen is a culinary masterpiece, showcasing stunning quartz countertops and under cabinet lighting that illuminates the space with style. Throughout the home, you'll be captivated by the allure of LVP flooring, designer light fixtures, and generously proportioned spare bedrooms. Step outside to the covered porch and immerse yourself in the tranquility of the surroundings that backs up to green space. Prepare to be amazed by this must-see home that epitomizes modern living.
