## Overview

Welcome home to Sheldon Woods in School Districts 79 and 120. A great community featuring beautiful family homes with open concept living and all the design features and options you love. THIS HOME IS TO BE BUILT. The Woodside is a gorgeous two-story family home. Upon entering the large foyer, you are greeted with a spacious gathering room with a dramatic two-story ceiling, a cafe and gourmet kitchen, the perfect gathering place for family and friends. Your chef's kitchen is complete with built-in white cabinets, quartz counters, a large island and walk-in pantry. You have extra storage in the butler's pantry. Your separate formal dining room is ready for your special occasions, or you can serve dessert in front of the fireplace in the gathering room. Relax in your spacious owner's bedroom suite, and your private bathroom with large walk-in shower. This home features the optional 1st floor bedroom and full bathroom. Other designer features include wrought iron rail and spindle stairway. This Woodside has a 9' unfinished basement with bath plumbing rough-in. You can select many exciting options and beautiful finishes to customize your new home. Photos similar home with some options shown not available at this price. Homesite 142
