Overview

There is something magical about this contemporary oceanfront home in the coastal community of Salishan on the Oregon Coast. Tucked in amongst the dunes, beach grass and bay, this cozy, secluded setting has nothing but the ocean, sunsets and sea life in front of you. Enter into this oasis thru double glass doors with custom bronze hardware. The architecture of the home highlights the style of Salishan with beamed vaulted wood ceilings, stone gas fireplace, skylight and deck with wind screen. This unique floor plan is ideal for the lifestyle of today. Need multi-generation living? Check! Two primary bedrooms, one with bay view and the other with an ocean view sun room, both with gas fireplaces and TV niches hidden behind artwork. Need space for large gatherings? Check! Great room dining can accommodate large families or small and the spacious entry hall has seated parties up to 35 people! Need separate areas to work, learn and play at home? Check! Two office spaces, multi-purpose bedrooms, niche atrium deck and exterior deck and zen garden can serve a multitude of purposes. Sleep in comfort knowing the shoreline protection has been repaired. Experience the Salishan lifestyle today!
