Overview

Wonderful opportunity to own an end unit townhome in the quiet subdivision of Covington Manor. This is a first-floor ranch with a private entrance. No stairs. It's been loved for many years and now it's time for a new owner to make it theirs. Great bones here, along with suburb location. It has two bedrooms, two baths, cathedral ceilings, skylights, in unit washer and dryer and attached one car garage. The living room is bright and light and has a gas fireplace and built in bookshelves. The dining room is spacious and open to the living room. The kitchen has an eating area and a sliding door that opens up to your own private patio. Enjoy sitting outside and enjoy the green space. The bedrooms are large and the primary has a walk-in closet and en-suite bathroom, with double sink vanity and large bathtub. Bedroom two has French doors and is serviced by the hall bath that has a shower/tub combo. The location is wonderful, very convenient to schools, parks and shopping. Make it yours!
