Overview

Welcome to this beautifully maintained farmhouse, exuding charm and functionality with its cottage-style wood floors and skylights. A spacious and beautiful addition, completed in 2008, enhances the home's appeal, featuring Anderson windows and radiant heat in the family room, attached garage, and full main floor bath. This home is light and bright. Recent upgrades include new garage door openers for both the attached and detached garages, and newly installed mini-split units throughout the home. The property offers ample storage and is ideal for a growing family, with a large bonus room and three bedrooms, including a full bathroom, upstairs. The main floor boasts a large living room with built-ins, a dining room with gorgeous wood floors and cathedral ceilings, and a spacious laundry room with a convenient half bath. Enjoy the outdoors on the composite decking of all porches, and take advantage of the expansive 2.66-acre lot, perfect for entertaining and family fun. Additional features include a large shed and a pole barn, offering endless possibilities for storage, agriculture, and more. This home provides both comfort and versatility, making it a wonderful space to call your own. Don't miss out on this great opportunity. Call today to set up your personal showing.
