Overview

Privacy and serenity awaits with this private spot in the woods on Middle Springy Pond, located 30 minutes from Bangor or Ellsworth and less than an hour to Acadia National Park. It is a rustic and nostalgic log cabin with 2 bedrooms, a loft, full bath and open kitchen and living area, full septic and lake drawn water. You'll be toasty warm on those cooler nights with the kerosene heater and pot belly stove. There is only one other property on Middle Spring Pond at the other end, making it a dream to kayak, listen to the loons and watch the eagles soar. The stress of the day melts away while you sit on the porch and look at the water with your favorite beverage in hand. The seller owns the land on either side of this property and will survey an acre to the buyer's liking. There is a possibility of purchasing more land for a larger lot to build a new home and keep the cabin as a rental! The opportunity here is a happy place to scoop up quick- it won't last long!
