Overview

You will fall in love with this spacious 5 bed 4.5 bath home in the well sought after Brellinger Subdivision. There were no corners cut when building this custom home! Main level features kitchen w/island, full size refrigerator and full size freezer, custom shelving in the pantry, all stainless steel appliances. Living room w/gas fireplace attached to the covered composite deck overlooking the fabulous private backyard. Main level master suite w/walk in shower, soaking tub, dual sinks, and large walk in closet w/container store custom shelving. The upper level features a spacious loft, 3 bedrooms (all w/walk in closets) and 2 full baths both w/dual sinks. The lower level is where you will find the family room w/electric fireplace, additional kitchen/bar area, exercise room, 5th bedroom and full bath. Additional features include: wired security system, walk out basement, work bench w/cabinets, oversized garages, irrigation system, water softener, humidifier, and invisible fence.
