Overview

Welcome to Iron Bridge Farm, a one-of-a-kind estate nestled on 35 picturesque acres in the prestigious Metamora Hunt country. Enjoy unobstructed panoramic views of the serene countryside, featuring a 2.5-acre stocked fishing pond with a newly constructed fishing dock, and hundreds of feet of the Flint River gracefully meandering through this private retreat. Designed for both intimate gatherings and grand entertaining, this exquisite home boasts a modern open floor plan with spacious rooms and high-end finishes throughout. The completely remodeled kitchen, equipped with premium Thermador and Viking appliances (2020) and a renovated butlers pantry set the stage for culinary excellence. Enjoy the elegance of new lighting throughout, updated bed and bathrooms, and fresh painting throughout for a contemporary yet timeless aesthetic. Features include 4 fireplaces; great room, den, primary bedroom and the barn, a new entry door, updated finished barn space, a mudroom with a dog wash, and a recently finished studio room with a new roof. The barn roof, skylights, and sun porch roof have also been recently replaced. Geothermal furnaces and air conditioning are installed, ensuring year-round comfort. The outdoor oasis features a Gunite saltwater pool with a new elephant cover, and a beautiful courtyard perfect for relaxation and recreation. The updated master bedroom offers dual master baths, providing a spa-like experience in the

comfort of your home. Iron Bridge Farm seamlessly blends sophisticated charm with modern amenities, offering an unparalleled lifestyle in a tranquil and private setting.
