## Overview

Hilltop one level Bungalow with its spacious deck offers stunning elevated views overlooking historic Bunkers Cove and distant Islands. A deeded waterfront right of way access to the water. Launch your boat from this working waterfront. 1972 Doublewide has been converted with 2 x 4 built in interior walls with insulation and sheetrock, house windows and doors and shingle sided on the exterior. Slab foundation. Detached 2 Car Garage. Town maintained road dead ends at this home. Smell that fresh ocean air and look out your windows to the Cove and fishing boats. Get your fresh seafood nearby. The grounds have a good balance of open lawn areas and mature forest trees. This is the perfect spot if you are searching for a Year round or Summer vacation home overlooking the ocean! A great opportunity for a vacation rental.
