Overview

Embrace the opportunity to build your dream home on this ready-to-build 4-acre lot in Sunsites, offering stunning views of Cochise Stronghold and the Dagoon Mountains. Revel in the rare beauty of dark skies and breathtaking views of the Milky Way from your own backyard. This property is equipped with underground power and a shared well, complete with an installed water line and meter. The desirable RU-4 zoning permits the Cochise County Opt-out, providing unmatched flexibility for your construction plans. Additionally, you have the option to purchase four adjoining lots on the well-share, with the seller open to combining parcels to expand your vision. Experience the serene beauty and convenience of this exceptional lot, perfect for your custom retreat.
