Overview

Build your dream, the possibilities are endless on this 116.29 acres. Subdivide to build multiple residences, or simply surround yourself with open space. The land is a nice combination of level building sites and gentle rolling mountainside. Positioned on a bench above the Wind River, stunning views of the Absarokas, Badlands and Wind River Range persist from every vantage point. Build your western legacy here today. This land is being sold separately or as part of the 257 acre Windbreak Ranch, MLS# 24-1957.
